## Features

This spacious building plot offers you the opportunity to live in the midst of beautiful nature with the mangrove forests just a stone's throw away. The peace and quiet of the Ramsar area makes living in this location an absolutely unique experience.

The plot already has a building permit for building a wooden house on stilts. the elevated home will have stunning sight lines. Connection for water & electricity is available on the edge of the allotment. Due to its location in the Ramsar area, it is necessary to have an environmental impact report drawn up. We are happy to tell you more about this.

Situated in the middle of the natural "Kununku land" (natural outback) of Bonaire, close to all leisure activity areas such as the Mangroves, Sorobon windsurf beach and Southern dive sites.

- Close to Mangrove area and Sorobon beach,
- Freehold land,
- No building obligation,
- Including building permit for wooden villa,
- A one-time contribution of USD 3,300 for the benefit of the recently installed fencing must me made,
- Future buyer must have an EIA (Environmetal Impact Analyis) carried out,
- Only a 15 minutes drive to the centre of Kralendijk,
- In the natural outback of Troca Suelto, in the South East part of Bonaire.
