Lay out

Through the pedestrian gate or electric sliding gate, you enter the property.

Guests will enter via the front steps onto the pool terrace and primary entertaining area of the home. Multiple large sliding doors provide easy flow into the spacious open-concept living and dining room. The kitchen is well connected, with additional seating at the peninsula counter. A charming powder bath for visitors completes the space.

The two guest wings of the house connect on either side of the great room, with pocket doors for extra privacy. Each wing has two bedrooms, complete with ensuite bathrooms, and are connected by a corridor filled with built-in storage.

The Master Bedroom retreat is on the upper level, providing additional privacy. It offers stunning 180 degree views of the ocean with direct access to the upper decks. A walk-in shower and large double vanity enhance the modern feel of the space.

There is also a private owners' entrance at the back of the house, adjacent to the carport, a laundry closet, and storage beneath the stairs. Additionally, you will find an outdoor shower, dive gear rinse tanks and drying rack. Below the pool deck is a ventilated locked storage area that can house a scooter, dive gear, or other items.
