Features

Located in the popular and child-friendly residential area of Nikiboko, you will find this building plot on a paved road. This quiet residential area is located in the heart of Bonaire, a short distance from the largest supermarkets in Kralendijk. Restaurants, bars, shops and local eateries can also be found within short distances.

Given the current zoning plan (Residential area I) the lot offers a perfect opportunity to realize your dream house of more than one apartment. One house is allowed per surface of 350m² plot. In the case of the construction of an apartment building, a plot area of at least 220m² per apartment is required. This makes this lot also attractive for entrepreneurs who are looking for a location close to the center and with the focus on the medium-long-term rental market.

- building lot in the desirable residential area Nikiboko,
- build your own dream house or more than one apartment,
- located on a paved road.

Technical specifications

- WEB (water and electricity) connection at road side.
