Features

This great single-family home was built in 2008 and features 3 bedrooms and 2 bathrooms on the ground floor. On the first floor, you'll find the living room and the lovely, spacious open kitchen. The open kitchen has a pleasant spacious cooking island. From the terrace on the first floor, you can access the rooftop terrace where you have a 360-degree view over Bonaire. The property is situated on a large plot with a spacious garden surrounding the house, a blank canvas awaiting your creative vision. What a space to create a garden to your own taste.

The property is located on a quiet street in a popular and child-friendly residential area. The Nawati neighborhood is characterized by its very central location on the island. Shops, supermarkets, and cozy restaurants are just a 12-minute drive away. Additionally, many new homes have been built around Kaya Nikkel 15 in recent years, with even more to come, giving the neighborhood a beautifully diverse appearance.
