## Features

Located in the popular and child-friendly residential area of Nikiboko, you will find this spacious building lot on an unpaved road. This quiet residential area is located in the heart of Bonaire, a short distance from the largest supermarkets in Kralendijk. Restaurants, bars, shops and local eateries can also be found within short distances.

Given the current zoning plan (Residential area I) the lot offers a perfect opportunity to realize your dream house or more than one apartment. This makes this lot also attractive for entrepreneurs who are looking for a location close to the center and with the focus on the medium-long-term rental market.

- building lot in the desirable residential area Nikiboko,
- build your own dream house or more than one apartment,
- no building obligation,
- located on an unpaved road,
