## Features

Kaya Turkesa 13 not only offers a magnificent view over the green hills of the area "Santa Barbara" and the Caribbean Sea, but also offers a lot of space. With 5 bedrooms and 5 bathrooms, a home gym and a very spacious living room with open kitchen and adjoining covered terrace, you always have more than enough space for your family and friends.

The hardwood elements and the eye-catching architecture give the house a unique character. Located in a quiet street, you can relax while enjoying the cooling trade winds and the local flora and fauna that surrounds the villa.

- Villa with covered porch,
- Beautiful views over island and Caribbean sea,
- Quiet residential area high up the hill of Santa Barbara,
- Garage and hobby and storage space underneath the house,
- Accessibility: 8 minutes to the center of Kralendijk,
- Hardwood roof construction with roof tiles,
- Ceramic floor tiles throughout the entire home, terra cotta tiles on the terraces,
- Hard wood window frames with glass panels, two bedrooms have aluminium sliding doors,
- Garden with a mix of mainly local plants & trees.

## Lay out

Entrance via stairs to spacious hall from where access to living room with open kitchen, bedroom and bathroom. From living room patio doors to the covered terrace.

From the hall also access to the hall, which has three bedrooms with private bathrooms. The master bedroom has stairs to the gym, which is located underneath the master bedroom.

From the hall a spiral staircase leads down to a corridor with adjoining pantry. Guest room and bathroom with private access through the carport at the front of the house. At the back a covered terrace. The hobby/storage space underneath the house is accessible from the garden.
