Features

Kaya Utrecht 4 is a detached home located in the popular Hato neighborhood. This area is known for its proximity to the azure blue Caribbean Sea and its popularity for the peace and space it offers. Additionally, it is just a short distance from the vibrant center of Kralendijk.

The house features a spacious living room with an open-concept kitchen that forms the heart of the home, an office, three bedrooms, and two bathrooms. From the en-suite bathroom of the master bedroom, you can step into the walk-in closet. The second and third bedrooms share a bathroom. Both the front and back of the house boast inviting porches, perfect for gatherings. At the rear of the house, you'll also find a storage room!

The property is surrounded by a lush garden filled with tropical greenery. On the left side of the house, there is a carport, while on the right side, you'll find a garage that is open at the back, providing direct access to the spacious covered porch.
