Features

Located in the quiet Kaya Yuma street in the residential area of Noord Saliña, this beautiful semi-detached house is located on a spacious leasehold plot. The house is divided into two mirrored residential units, making it ideal for both private occupation and long-term rental. This layout also makes it an excellent investment with stable rental income.

Each residential unit has a spacious living room with a modern concrete open kitchen, three bedrooms, perfect for families or guests, and two bathrooms. In addition, each house has its own driveway with parking for one car. Both houses have a spacious backyard, which provides extra privacy for the residents. The backyard of both houses is paved with bricks, and due to the spacious layout, there are several places where you can enjoy the cool breeze that the island has to offer.

Are you looking for an investment in a perfect location or a spacious living unit with a second unit, suitable for long-term rental? Then look no further! This is your chance!
