Features

The lot La Palma 30 is located in the La Palma allotment project. The lot is located at the front of La Palma. The La Palma district is located on the road from Bachelor's Beach to Sorobon and is therefore well located and close to the dive/snorkel sites in the south of Bonaire. Sorobon's surfing beach is just a few miles to the east. The utilities are installed underground, making the plot immediately available to realize your dream home. If you do not want this, there is no building obligation for La Palma, so you retain all freedom.

- Private property building lot in well reputed area,
- No building obligation,
- Close to public beaches,
- build your own dream house,
- Utility connections at lots are available,
- Accessibility: Good, only a 10 minutes drive to the center of Kralendijk,
- Location: On the road Kaya Statius van Eps, leading from Belnem to the beautiful beach Sorobon,
- Some building codes apply to this location.

Technical specifications

- WEB (water and electricity) and internet connection at road side,
- Some additional building codes apply. Contact us for further details.

Building Regulations

Extract from Ruimtelijk Ontwikkelingsplan Bonaire (zoning plan)
