Features

Located in the residential area of Punt Vierkant, you will find this beautiful villa, designed by the renowned Dutch designer Piet Boon. When entering the villa you immediately feel welcome. The stylish design combined with the high-quality finish gives the villa a timeless charm where tasteful details make the difference. The interior is designed with a mix of traditional and modern touches. Every detail, from the carefully selected furniture to the subtle lighting, contributes to the refined ambiance of the different rooms in the villa.

The villa, consisting of two floors, offers plenty of space and relaxation options. With 4 spacious bedrooms and 3.5 bathrooms, there is room for family and friends. The villa distinguishes itself by the different and spacious outdoor areas. The swimming pool, with wooden decks, is surrounded by an oasis of greenery and palm trees. The outdoor shower provides a refreshing respite from the warm Caribbean sun, while the traditional palapa provides shaded respite for relaxing afternoons. For those who would like to keep their car and other belongings safe, the villa offers a spacious garage, including a separate laundry room. Every aspect of the design, from inside to outside, is imbued with Piet Boon's signature style, where comfort, functionality and elegance come together harmoniously.

Whether you enjoy a tranquil morning dip in the pool, a romantic evening under the stars in the palapa, or simply relax in the luxury of your own space, this villa offers an unforgettable experience of luxury and serenity in the heart of the Caribbean.
