Features

Located in the outer ring of the exclusive new construction project Vista Royal Village, you will find this spacious building plot. Vista Royal Village is one of the newest development projects in the popular and child-friendly residential area of Nikiboko. With easy access to amenities such as shops, restaurants, and supermarkets, you'll enjoy the convenience of having everything within easy reach while surrounded by a peaceful and pleasant environment.

This outer ring building plot offers countless building possibilities to realize your dream home in an environment imbued with serenity and luxury. With 969 square meters, you will have the freedom to realize your architectural dreams, with enough space for a lush garden, a refreshing swimming pool or a beautiful outdoor space where you can relax and enjoy the sunny climate.

What makes this building plot special is that a building permit has already been issued for a single-storey house with a roof. The design is characterized by modern architecture by Gino Obersi Architecture. The house consists of a spacious living room with open kitchen, an office, 3 bedrooms each with their own bathroom, various storage spaces and a large swimming pool.
