Description

Enjoy everything that Crown Terrace 113 has to offer.

Crown Terrace 113, with its spectacular views, has been newly furnished, fully air-conditioned throughout, and is situated on a picturesque hill in the Sabadeco neighborhood.

The spacious layout of the villa makes it an ideal home to spend a vacation with family or friends. During the day, you'll enjoy panoramic views of the island, Klein Bonaire, and the stunning azure sea. In the evenings, you can savor a cocktail on the covered terrace and take a dip in your private magnesium pool, which, unlike a chlorine pool, is gentle on the eyes and skin. With lush landscaping, you'll enjoy privacy and serenity.

The location and amenities of the villa make it perfect for divers. The house features a rinse tank and outdoor shower. Two of the most beloved dive sites, Andrea 1 and 2, are just a 4-minute drive away. The spectacular dive site 1000 Steps is also nearby. This beautiful villa is an 8-minute drive from the center of Kralendijk and its many delightful restaurants and shops.

Crown Terrace 113 accommodates 8 adults plus two small children and multiple cars. There are 4 large bedrooms, each with its own bathroom and air conditioning. Three bedrooms are located on the pool level. The master bedroom, on the pool level, features a sofa that can be converted into a bed suitable for 2 young children. The twin bedroom can be converted into a king-size bed upon request using a topper. The master bedroom on the upper floor has its own terrace, sun loungers, and views of the pool and the sea.

For warm afternoons, the large family room and kitchen share 3 air conditioners. The villa provides plenty of towels, linens, and beach towels. Villa Teodoro features a well-equipped kitchen and a barbecue if you choose to cook at home. For streaming movies on the television, there's 40 MBs WIFI. There's also a pantry with a washing machine.
